

Concert Etiquette Policy

Approved September 2017

Thank you for attending our program.

For the safety of your children and the performers, please keep all young children seated and supervised at all times. Children are welcome at Boulder Chorale events, but we ask that you carefully consider whether your child(ren) can enjoy a performance without creating a disturbance for the audience and any recording of the event.

Please do not talk during the performance. Please turn off cell phones, pagers, electronic devices, and disable the alarms on your watches. We request that you refrain from the use of flash equipment.

It is important to respect the rights of each listener to enjoy music performed in a concert hall environment without distraction. We reserve the right to address and resolve any disruption during a performance.

Thank you from the Boulder Chorale.
