### **DIRECTIONS FOR LAUNDERING JERSEY SEPARATES:**

We currently carry sizes 00 through size 20 in misses, and plus sizes in some styles. Please take your measurements: our sizes tend to run smaller than many major stores

Knit Jersey Fabric: With a beautiful drape but the comfort of jersey, you'll feel like you can wear this fabric every day. Due to the minimal stretch, order up if you are between sizes. *95% Polyester, 5% Spandex. Machine wash (Cold water, gentle cycle, Woolite Dark recommended) and line dry.*

These pieces should be washed with other dark items in cold water and then hung to dry. **DO NOT PUT THEM IN THE DRYER!**

You may experience a garment looking significantly smaller as it comes out of the washer and is wet. As the garment air-dries, the fibers will relax and the garment will return to its former size and shape.

The content and care tags on the garments are clear on these instructions. The jersey pieces should need no ironing if handled in this way.

If your garments have become wrinkled, use steam to press them. This can be done by wetting a non-terry towel or a pillowcase, laying it on the garment, then ironing the towel so the steam smooths out any wrinkles.
